Vol. 26 No. 6

President's Message

Our trip to Lava Hot Springs was delightful. Everything was delightful: the people we were with, the weather, the roads, the scenery; we couldn't have asked for better. Even the food was delightful. We met at Conveyors & Equipment. There were the Maxwells, the Lewis's, the Thorntons, and the Riemenschneiders. We took the less traveled roads through the farms and meadows to Downey, Idaho, where we met the McEligots and had lunch. Then after lunch continuing on back roads we were off to Lava.

Our hotel/motel was an interesting place, quite old, like all the other places in Lava Hot Springs. The rooms were clean and comfortable, but no showers! The bath tubs were about six feet square without mixing faucets. The water was from the mineral springs and very hot. People come from all over to soak in the "curative" mineral waters, hence the large soaking tub. We had an excellent dinner at the Riverside Hotel and fun conversations. The return trip home was also a scenic drive. All in all, it was a lot of fun.

Unfortunately we won't be going on the June trip to Glenwood Springs, it too sounds like a fun time to be had. More information should be available at the June 9 meeting at Red Robin. We should also discuss the arrangements for the Barbecue, July 18 at Jon Hanson's. We definitely want your input on these arrangements.

Be sure to get a form from Dave Maxwell for your lodging at our Healey Days to be held in Park City August 8-9. This should be another great Healey Days on Park City's main street. This year will be in conjunction with the Jaguar Club.

Keep 'em rolling,
Ann

British Field Day, June 20th

British Field Day will be held at Liberty Park again this year. It is time for all British car and motorcycle enthusiasts to get their rigs out of the garage, clean them up and get them running as well as can be expected. All British cars and bikes in any condition from 100- point restorations to works in progress, old daily beaters or rigs for sale are welcome. All the British car/bike clubs are participating. Call your fellow club members and get them to the event!

For the brave of heart, we will have the road course set up again this year on a closed access road inside the park. During the event there will be, shop talk, bench-racing, catching up with old friends, drawings for raffle prizes and more.

Proceeds from this year's event will be donated to Saint Paul's Episcopal Church's Community Outreach Fund. Saint Paul's is providing volunteers to assist with the event so the organizers can have more time for some fun, too! Saint Paul's is also going to be providing food within the event this year. Get ready for fresh grilled hot dogs, hamburgers, sandwiches maybe even donuts in the morning.

Liberty Park is located between 500 East & 700 East and 900 South & 1300 South. The BFD event will be held in the northeast quadrant of the park. Enter off 1300 South and drive east and north about a quarter of the way around the park. You will see the event on the left.

Registration starts at 8:00 AM and we hope to have most bikes and cars in place by 9:00 and we encourage folks displaying vehicles to try to stay until 3:00 but if you can only make it for a couple of hours - that's fine too! The registration fee is \$10 per bike or car. A \$5 donation is requested per adult. Kids 12 and under are free.

For more information, please email Bill Davis at:
