## President's Message

### WOW!

June has been another busy month for the Bonneville Austin-Healey Club. We had a well-attended meeting on the 13<sup>th</sup>, followed by a busy tech session on the 17<sup>th</sup>, and then the real kicker came last weekend. We had 36 members attend the British field day at Liberty Park. For a new venue, I think that the BMCU did a good job of putting the event together. Like any event, there is always something that doesn't go right, but I only know of a couple of minor things that could have been done better. If you have any suggestions to improve the Field Day, be sure to let Bill Davis know so he can evaluate the idea.

I can't remember any event that had 18 of our members' cars gathered in one place. It would have been nice to put the whole club together, even if it meant an Austin Mini, and MG-A and a TR-3 in our group. It was great to see the "tune bug" and meet Drew Frink, one of our newest members. I understand that the uphill trip to Midway required a little more coolant than a Froggie holds in its cooling system. Welcome to the Bonneville Austin-Healey Club.

Don Colman appears to have a good handle on this year's Healey Days celebration. If you plan on spending the night at the lodge, be sure to reserve your room soon. There are a limited number of accommodations at the resort. Bob Riemenschneider is setting up what will be a premier funkahna (emphasize FUN) for Sunday morning. The car show on Saturday and the banquet that evening will also be "don't miss" events.

The "Golden Wrench" and "Rusty Wrench" awards will be handled differently this year. When the club first started and there were only two or three Healeys on the road, the awards were to recognize the people who made large (Golden Wrench) and or small (Rusty Wrench) amounts of progress towards having a presentable and road worthy Healey. This year, the awards will be selected by a three person committee. To reflect the club membership's opinion on the awards, please give me your nominations for the awards by the August meeting.

Happy Healeying,  
Dave
