President's Message

Goodwood Revival

I have been in the U.K. the last two weeks and I thought you might be interested in the motor racing event I attended.

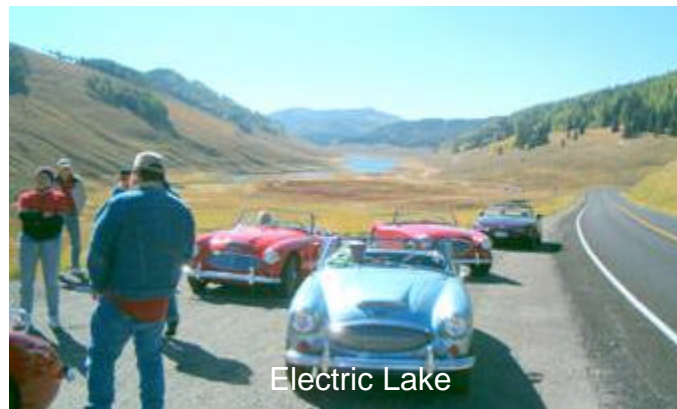

A year or two ago, Myra gave me her materials from the Goodwood Revival and I looked it up on line only to find that the event was being held during my visit. It was well worth my time to spend one of my valuable vacation days at this event, which is held yearly on the Goodwood racing circuit. It was used by Formula One and other races until 1966 and is located in southern England near Portsmouth. There are many other things to see in this part of England.

The event is a re-creation of the 1950 to 1966 time period. The pits look the same as they did then. People dress up in 50's clothing, the food is 50's, the music is also from that period. In my mind, this was the golden age of motor racing. I watched Stirling Moss drive three races including one in a 1955 Healey 100S like the one he raced at Sebring. He also drove a Ferrari 250 GT like the one he raced at Goodwood in 1955 and won!

It was wonderful to actually see the great cars I had only read about as a teenager. These included Formula One: Lotus, Cooper, Vanwall, BRM, Ferrari, Brabham, Maserati, etc. The sports car racing was every bit as good with Jaguar C, D. and E types, Aston Martin, AC Bristols, Porsche 356, Ferrari 250 Testa Rosa, Maserati, Mercedes 300SL, Lister Jags, Scarabs, etc. In short, there was everything you have ever wanted to see in real life and see raced. The honored driver was Jackie Stewart. An event was run in his honor with all the cars he raced in his illustrious career. The parking lot for visitors was worth seeing all by itself. It was the "British Field Day" times ten over and with all the other international marquis.

In my opinion the Goodwood Revival is well worth a visit.

Fairview-Schofield Tour

Our club activity for September was a Fall scenic tour that went up Spanish Fork Canyon on highway 6 to Thistle, then south on highway 89 to Fairview, up Fairview Canyon going east through beautiful mountain country to Scofield and Scofield Reservoir. From Scofield we took Highway 96 to highway 6 back to Spanish Fork Canyon and home. The round trip was about 250 miles and was really a lovely and well planned trip thanks to Ron and Kathy Jensen, who were the tour guides. Most of us on the tour had never been to some of the areas and found not only beautiful scenery, but very interesting historical sites.

The morning started rather chilly, but soon warmed up to pleasant temperatures with beautiful blue skies and perfect weather. The cars all ran well and we had the good fortune to travel a good part of the way on newly resurfaced roads that were as smooth as you could ask for.

Some of the points of interest were: The Thistle slide area that dammed the river and flooded the town of Thistle in the Spring of 1983 leaving behind a lake that has since been drained. We went by Electric Lake that was drained inadvertently when a mine tunnel was dug. There is only a small remnant of the lake now. We also went through some coal mining areas in Carbon County taking a side road to a small mining company community called Clear Creek. It was very interesting to see the coal mining operations that are still there. We visited the Scofield Town Cemetery that is the burial place of 154 of the 200 plus coal miners killed in a mine explosion May 1, 1900. It was sobering to think of the huge tragedy it was to that small town. We had a picnic lunch in Scofield before returning home.

Those who went on the tour were: Dave and Sandy Maxwell, Don and Marian Colman, Doug and Ann Lewis, Ernie and Vickie Reno, Jon Hanson and Jill Owen, Allen and Judy Brown. Thanks again to Ron and Kathy Jensen for a wonderful and memorable Saturday Fall drive. (See the website for more information and photos.)

| Doug & Ann Lewis | Bob Jahnke |
| Don & Marian Colman | Myra Strauchen |
| Bob & Fran Riemenschneider | Allen Brown |
| Ken & Kaitlyn (daughter) Clifford | |

Old business items:

- Item 1: It was re-affirmed that an agenda is required to keep meetings on track.
- Item 2: Kathy Jensen volunteered to serve as the web site assistant and will train with Jon Hanson.
- Item 3: Healey Days proceeds are approx. \$200.00 before final accounting. Bob Jahnke reported that BAHC has 3,800.00 in the bank.
- Item 4: The missing BAHC banner is thought to have been taken by unnamed co-conspirators who did not appreciate us moving the banner to another location after being ordered to take it down by Radisson security!

New business:

- Item 1: A motion to replace the banner was passed and Ann Lewis was named to head a committee of two to find a replacement banner.
- Item 2: Bob Jahnke gave a report on the Watkins Glen Vintage Car Races and Dave Maxwell provided an update on the new Larry Miller race complex. It was proposed that the club may consider the Miller location for Healey Days 2006.

The meeting was adjourned at 8:27 p.m.
