President's Message

Help Make 2006 A Banner Year

The club has spoken. Or should it be the Club has been silent. Either way it appears that I am your new president. There are several things I would like to see accomplished this coming year. In this column I will outline the major items I feel we as a club can put in motion.

As you know I like to drive my Healey as much as I can. I'm sure that many of you would drive your Healeys more if you had the opportunity to do so. Let's schedule a driving event at least every other month during 2006.

The Austin-Healey Club USA's Rendezvous is scheduled for July 24-28. Let's get a LARGE contingent from Bonneville to attend. Set your plans now and join Sandy and me on a wonderful drive to Nelson, B.C. You can find more information on the event by clicking on the AHCUSA link on the Bonneville Austin-Healey Club's website.

The next item I would like to address involves the Department of Motor Vehicles. How many of our registrations list the car as an *Austin Martin*? For another example my BJ8 is listed as an *unverified make, convertible, pickup, 1200 lbs GVW*. With that as a registration I hope never to be asked to show it to an officer of the law who doesn't like sports cars. As a club let's find a way to fix these problems.

I have been a member of the Bonneville Austin-Healey Club since its inception. Yet there are members that of the club that I rarely see at functions, and some that I have never met. What will it take to bring these members out to some of our activities? Do **YOU** have any ideas? Let's make sharing the club with **ALL** the members a priority in 2006.

Miller Motorsports Park will be running this year and they are putting together several programs that may be of interest to some of us. They are sponsoring their own club races for 6 or 7 weekends this year. They are talking about making the first weekend a driver training / race school program. The Tarmac will be available for autocrosses, and the clubhouse will be available also. Of course it is all fee based, but then what isn't. You can find out more by clicking on the Miller Motorsports Park link on our website.

The January 10th meeting at Conveyers and Equipment (3580 So. 300 West) is the planning meeting for the year. It is very important that you be there to help decide what will happen during the year. Come to the meeting with our ideas, calendars, and a desire to make 2006 a BANNER YEAR.

Happy Healeying,

Dave

2005 Was a Good Year for BAHC

As we enter 2006, it's good to look back at the past year as we plan club activities for the new year. 2005 was marked with increased membership and activity. Some newly purchased cars and newly restored cars contributed to an overall upgrade in our club cars. Jim Revel and others worked hard to plan and carry out successful and enjoyable club activities. We had some very helpful and informative Tech Sessions, some of which we shared with the BMCU.

Following is a list of last year's activities that might help in planning activities for 2006:

- February – Valentine Party at Lugano's
- April – Day Trip to Grantsville, Deseret Peak Facility and Firefighters Museum
- May – Jackson Hole Trip
- June – British Field Days sponsored by BMCU
- July – Healey Rendezvous West Coast Meet at Klamath Falls, Oregon
- August – Healey Days at Park City
- September – Day trip to Fairview and Schofield, Utah
- October – Halloween Party at Joe Morley's
- December – Christmas Party at Lamb's Grill

Our general meeting on Tuesday, January 10, 2006 is a very important one, in that each BAHC member can have input as to the type and quantity of activities we will have in 2006. It will be held at Conveyers and Equipment, 3580 So. 300 West at 7:30 p.m. All present and prospective members should attend

Bonneville Austin Healey Club

General Membership Meeting Ballot Results for Officers for 2006

Meeting at Lamb's Grill
December 10, 2005

Total number of ballots received: twelve (12)
Ballots received by mail: two (2)

Results:

President:	D. Maxwell	(11)
Vice president:	D. Lewis	(11)
Secretary:	John Morrison	(11)
Treasurer:	Bob Jahnke	(11)
Membership:	Jim Thornton	(11)
Editor:	Allen Brown	(10)
	Jim Thornton	(1)
Webmaster:	Jon Hanson	(11)
Activities Chair:	Jim Revel	(10)
Write in ballots	(1) Jim Thornton	

One ballot abstained on all candidates except the write in for Activities.

Through an oversight, and being too cheap to correct it, the Activities Chair position was not on the ballot. Cunning as the membership is, this was readily corrected by a write-in vote. Installation ceremonies will take place on January 10, 2006, 7:30 p.m., at the general membership meeting, which will be held at the round table (octagonal) upstairs at **Conveyors and Equipment, 3580 South 300 West, South Salt Lake City, UT.**

John Morrison,
Secretary

Jim Pearce – Past President

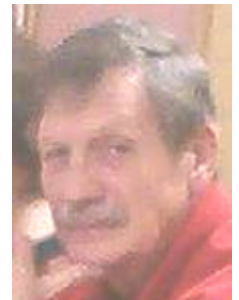

(Editor's Note: Jim, thanks for a job well done)

2006 CLUB OFFICERS

President/ Delegate	Dave Maxwell	943-4803 1752 Paulista Way, Sandy, UT 84093
Vice President	Doug Lewis	255-8161 8226 Bryce Dr., Sandy, UT 84070
