President's Message

A Culture of Kindness

At this time of sorrow and sadness for my family and me, I would like to express appreciation to all of you who have taken time to write or visit and be supportive. As you know, my wife's father was a very dear man who will be greatly missed in our lives. While we didn't participate in his greatness, we did experience his warmth and benefited much from his wisdom and council.

At the time of the Olympics in Salt Lake we learned of the "culture of corruption". In our club I have seen a "culture of kindness and caring". This has been demonstrated over and over again at routine times like tech sessions and at special times. A recent example was at the death of Tom Henderson. Other examples have been when members have been sick and/or in the hospital. Concern is always shown when a member's Healey falls on hard times.

There is a feeling of caring in our club that I believe is remarkable. I believe it is a natural outgrowth of service to each other and working with and for each other. I know I have literally been rescued on a number of occasions. I would bet there isn't a person in the club that hasn't benefited from the generosity of others.

Thank you again, my dear friends, for all you have done and are doing to make our club great.

Jim Pearce

BAHC News

The March 2008 Issue of *Healey Marque* has a center-fold article written by BAHC member, **Jim Revel**. It deals with his experiences in selling his 1958 100-Six Healey on eBay and is very interesting. Check it out!

Bob Jahnke is looking for one of the formerly Moss-available side mirrors which mounts in the side curtain mounting hole, left side. If you have one or know where one might be available, please call Bob at 583-3021.
