President's Message

Twenty-Four and Counting

Yes folks, this month will see the Bonneville Austin-Healey Clubs 24th annual Healey Days. I am looking forward to seeing all of you at Brighton on the 11th and 12th of August. I'm sure that Ann Lewis has a great day planned for the Classic Car Show on Saturday. As for the 12th and the driving event I will give you a short preview of what is planned.

Due to space constraints and the fact that Brighton is situated at the top of the canyon we will combine several activities into a short timed event that will test your driving skills, your round ball skills, your ability to perform maintenance on your cars, and also how well you can hit the "bull's-eye". Of course the event is about having fun so be sure and attend.

I'm sure that elsewhere in this issue you will read about the Tech Session / Pool Party but I would be remiss if I didn't make it a point to thank my friend and business associate Pat Luke for the informative and fun Tech Session. After 40 plus years in the automotive business, I still continue to learn new ways to do things. I'm sure that all who attended the Meguiar's product demonstration learned, as I did, something new about caring for their cars.

A quick reminder that there will NOT be a general meeting on the 14th, the proximity to Healey Days would make a meeting redundant. Also am I the only one who wonders if it is just coincidence that the BMCU has their Alpine Loop Tour on the same date as we hold Healey Days? It seems to me that if you have an event that you could have a better turnout if you coordinate with others.

Some up coming events that you may be interested in are the Ogden Valley Balloon Festival Car Show on August 19th. Contact Roland Held, 801-745-1188. The Senior Citizens Concours on August 25th. This year it will be at Thanksgiving Point in Lehi. You can get information at www.concoursutah.com And on September 3rd you can participate in the Park City Miners Day Parade. For more information contact Floyd Inman, 435-654-7086. I hope we can all make some of the events and enjoy using our cars.

Happy Healeying,

Dave

Healey Days, August 11th & 12th, is at the same location as last year, the Lodge at Brighton Resort. The Lodge was holding a block of rooms for the club until June 30th. Perhaps they may still have some available if you haven't reserved your room. The rate is \$78.95 plus tax per night, which also includes a coupon good for a free breakfast at the General Store, or a complimentary dinner at Molly Green's. Call Monika at 532-4731 ext. 120 to reserve your room and coupon.

The car show will be held Saturday, August 11 at 12 noon to 3:30 p.m. Registration fee for the car show will be \$10.00 per car entered prior to July 27th, then the fee increases to \$15.00 per car. Each entry will receive one dash plaque, 2 raffle tickets, and 2 ballots for judging. **We need items donated for the raffle.** If possible, have the items to Doug/Ann Lewis at the July 21 Pool Party. August 12, Dave Maxwell will organize another Funkhana, which should be very entertaining if it's anything like last year's.

Social Hour will be in the common area at the Brighton Lodge 6 to 7 p.m. The Banquet will be held at Molly Green's, 7:00 p.m. We can pre-order our entrees. They will offer us a grilled chicken dinner for \$16.70, a rib eye steak dinner for \$25.70, or the halibut dinner for \$24.40. These prices include tax and gratuity. We have to have your selections by July 30. ***If you choose not to preorder, you can order other selections from the menu.*** Call Ann Lewis at 255-8161 to reserve your dinner selection (by July 30).

If you need any additional information or clarification, please contact Ann/Doug Lewis, 8226 Bryce Drive, Sandy, Utah, 84070, 801-255-8161.

July Tech Session and Pool Party

The Tech Session, which was held prior to the Pool Party at Morrison's on Sat. July 21st, was very informative. Dave Maxwell arranged for Pat Luke, the Meguiar's representative, to demonstrate some of their products for detailing and even removing scratches from painted surfaces. He is very knowledgeable and gave some excellent demonstrations and instruction. He rubbed out rough areas very successfully on a recently painted car and showed some great detailing products for cleaning paint surfaces and cleaning grease and dirt from under the bonnet (hood), wheels and other areas. Anyone who was not in attendance should check with Dave to find out some of the excellent products that were demonstrated. We really appreciate Pat taking time out of his Saturday to show us how to improve the appearance of our cars. Thanks also to John and Gloria Morrison who hosted the Tech Session and Pool Party.
