Peach Days Car Show

The topic of The Peach Days Car show was brought up. For all those that plan on attending a meeting place will be designated by Keith Mott so club members can assemble prior to entry. You must go in as a group if you want to be able to park your car with fellow members. **Also to be able to park together you must enter your cars into the same class.** Classes are listed on the registration form. There is a 900 car limit for the show so I suggest that you get there early. Keith will be coordinating the logistics as I will be out of the country from September 2-14.

Registration starts at 8am

Sep 07, 2024, 10:00am - 5:00 pm. Cars and the public are FREE!

British Columbia Drive.

Dennis brought up the topic of a long distance drive in our Healeys. This would be planned for sometime in late May or early June of 2025. We would start in Salt lake City and head west to Boise, ID then on to Portland, OR. Then North through Seattle WA across the Canadian Border to Vancouver. Take a ferry to Victoria Island. After that the tour would head toward Banff National Park. From there head south across the border back into the US. Then on through Montana, Idaho and back to Utah. This is going to be a 10-14 day trip. If your Healey isn't up to it please feel free to drive whatever you have. Dennis is also

planning on having a chase vehicle that can carry our luggage, tools and spare parts. More info to be provided in the coming months.

Old Business

None

After Thought

If you have any suggestions please speak up. We might want to start looking for a new venue to hold our monthly meeting. This month there was a very limited menu, some 6 items in total, a couple of appetizers and 3 entrees. There was also no waitress to take orders or serve drinks. Not sure what is going on here but I will investigate further. The Fiddlers Elbow Restaurant is now closed permanently.

Meeting adjourned 7;30
