

## July 2024 BAHC Meeting Minutes

**Attendees:** Henry Morrison, Bo Hall, Pete Davies, Glen Schimmelpfennig, Jim Thornton, Larry Jensen, Don Hughes, Dennis Walkingshaw, Dil Strasser

### Old Business

The main topic of discussion was the upcoming rally this Saturday July 13th. Planning is complete and the route is set. We will be using the "RICHTA" app that you can download in a couple of minutes. At the assembly point you will be provided with a car number and a password which you will use to open the app and then start the rally.

This is a last minute item. If you would like to participate but don't have a driver or a navigator please send out an email through our Google group account to the whole club. The address is listed below. Hopefully you can get paired up with a fellow club member.

Things you will need: A navigator, full tank of gas, cell phone and some sunscreen.

### New Business

After this weekend there is nothing scheduled until the BMCU run to Mirror lake on August 10th. That leaves three Saturdays open. July 20th, July 27th and August 3rd. If any club member is in need up some help repairing their car please let me know and we can pick one of the listed dates for a Tech Session.

Meeting Adjourned at 8:00 PM
