

# Bonneville Austin Healey Club

## Meeting Minutes, June 2025

**Attendees:** Henry Morrison, Bob Keeney, Dil Strasser, Jim Thornton, Pete Davies, Darin Graber, Craig Willoughby (new member).

**Old Business:** Nothing to report

**New Business:**

**1. Social gatherings** were discussed since members that attended last month's dinner at Woody's Drive-In really enjoyed it. Everyone in agreed that it was a good idea to have more dinner outings. It give members and significant others time to socialize instead of having business meeting each month. Starting next month, July 8th, and every other month thereafter we will plan for a dinner outing at a place to be determined. Dil Strasser has graciously offered his cabin for next months gathering. More details to follow.

**2. Club specific drives** was brought up. Most of our drives follow the BMCU schedule but we can do a few of our own. These can be substituted in place of a BMCU drive for any date. Our members are scattered and we each know our own areas well. If you have any ideas or a specific drive that you really enjoy that you think would be a fun day trip, please let me know and we can work out the details. I really look forward to hearing from you.

**3. Member profiles**, we haven't had any written since last year so this topic was addressed. Dil Strasser has committed to write up a member profile and have it completed by the July 8th. There are presently 5 Healeys in Dil's family so I'm sure he has plenty of stories to tell.

Henry Morrison, our fearless leader, has also committed to doing a profile. Henry's story should also be a good one as Henry and his father have a lot of history with the club as well as participation in racing, rally's, Healeys and other British cars.

Please forward them to Keith Mott and myself for distribution.

**4. Bylaws.** A number of items in the bylaws are no longer applicable as so much has changed over the last 5+ years. There will be an officers only meeting in the future to address these changes and bring the bylaws up to date. A revised edition will then be presented to all members at a future club meeting where the updated version will be discussed and voted upon for acceptance.

**5. Club Officer positions.** In the last month, two of our members have decided to resign from their positions so we have a couple of vacancies. First is the VP position which was filled by Glen

Schimmelpfennig who has stepped down for personal reasons. If anyone would like to step up and fill this position please contact Henry Morrison or myself to let us know and it will be voted on at a future meeting.

Second is the Historian's position, which for 15+ years has been serviced by Jon Hanson. Jon felt it was time to hand it over to a newer member. We discussed the need for this position and it was felt that it is no longer necessary since everything is now online and managed by our webmaster. All the old records dating back to 1983, when the club was founded, were in a box that was turned over to Henry Morrison for safe keeping. Old photos and newsletters made up the bulk of the documents.

**6. Rally, July 12th.** Next month is the TSD rally that Henry works hard on planning. Please call and talk to him to see if there is anything that we as members can do to help make this a success. I'm sure any help that you can give will be appreciated.
