Tech Session, Saturday November 1st. 10am

Location: 10074 S Jordan Crest Circle, South Jordan.

New Members.

We have 2 new members, Brent Morley, Welcome Brent. Some of you will remember Brent's dad, Joe who was a long time member. Brent has taken over the care of his late father's BJ8. The car has been sitting for about 2-3 years since it was last worked on by the club members. Brent would like to get it road worthy once again and could use some help. Main problem is old fuel. So the tank will need to be drained and the fuel lines blown out. Float bowls will also need to be cleaned amongst other checks.

Bill Haren. Bill brings a 1967 BJ8 to the club as well as a 1957 MG. Welcome Bill

Christmas Party

This year we are looking for a place to have our annual Christmas party. Larry Jensen is looking into a couple of locations where we could all get together. Dates have not been set but are tentative for December 13 and if that doesn't work we may postpone it until after the new year and have a Christmas/New Year get together on January 3rd. More info to follow as plans are made. If you have any suggestions as to an establishment where we could all get together please contact me and we can look into it.

Financial and Activity Report

It's that time of the year for the clubs financial report to be submitted to the AHCA as well as a write up stating what the club has been up to this past year and plans going forward into 2026. Keith Mott and Jim Thornton will take care of the formality.

The AHCA delegates meeting is scheduled for November 15-16. Larry Jensen will be taking part via a Zoom meeting as he is our delegate.

BMCU end of driving season dinner: RSVP information to follow soon.

November 8th, 6pm.
